Your Healthy Choice

TRI-PLY COOKWARE

Profile

Established in the year 1994, we "Nirlon " are the leading manufacturer and exporter of a wide range of Kitchen Cookware, Non Stick Cookware, Pressure Cooker and many more that enable our customers to cook healthy, tasty food with convenience. Our products are made from non-toxic and high grade raw material, which brings warmth to every meal by creating a perfect blend of aesthetics and functionality. We are inspired by global trends to create beautiful kitchen stories that bring out the culinary artist in you! Here, you can seamlessly explore our entire collection. The fine design stimulates emotions & encourage us to achieve excellence through flawlessly crafted range of kitchenware.

We constantly strive to achieve a balance between the form and function be it choice of design, material, technology or production process. This helps us curate products which impeccably transit from kitchen to the table.

Under the proper tutelage of our mentor Mr. Pravin Parmar, we have been able to overcome all the challenges in this ever competitive market.

Elevate Your Cooking Style

Nirlon Kitchenware stands as one of India's leading premium cookware brands—where innovation meets elegance. Crafted for performance and designed for modern kitchens, Nirlon kitchenware delivers high-quality, durable cookware that transforms everyday cooking into a refined experience. Trusted by professionals, loved by home chefs.

1. Cooking Surface – made from 18/8 food-grade (AISI 304) stainless steel of superior quality. It is extremely hygienic, most durable, does not react with most foods and does not pit or corrode.

2. Core – The heavy gauge aluminium core spreads heat well for even cooking with no hot spots, and retains heat for quick cooking. It is sandwiched between two layers of stainless steel and it does not come in contact with food on the cooking surface.

3. Base and Outer Surface – made of AISI 430 grade magnetic stainless steel, which makes this Pro Cookware compatible for all domestic gas, induction, electric, ceramic and halogen cooktops.

Additional Features:

- **Elegant stay-cool stainless steel handles** are ergonomically designed for better grip and handling comfort and safety. It is attached with sturdy stainless steel rivets – will not loosen.
- **Stainless Steel lid** – heavy gauge, extra thick, superior quality 18/8 food-grade (AISI 304) stainless steel – locks in the steam, heat and flavours for faster, healthier cooking and tastier food.
